Formed as the Barking – Kentish Town Line Committee to fight Dr. Beeching's closure proposals in the 1960s, the Barking – Gospel Oak Rail User Group has continued to represent the line's users and campaign for improved train services and stations, including the electrification of the only diesel only railway in North East London.

BGORUG has recently won the 2013 *Best Campaign* award from national pro rail group *Railfuture* for our electrification campaign. Electrification was finally approved in June 2013.
